## QUOTE FOR AUGUST

Be Strong  
&  
Courageous

for the Lord  
will be with you  
wherever you go

People are afraid of Change. Change is inevitable to Life. Change actually has the mask of pushing us out of our comfort zone. Every time we learn, go through life experiences, our perception or emotional chemistry is changing. Embrace and Adapt to change, as we are becoming a more polished version of ourselves.

Determination is more important than vision.  
 Vision is important than hard work in life.  
 Hard work is important than your will to strive.  
 Strive is important to reach where you are today.
