Cyber Safety is an implemented measure to tackle Cyber-related crimes nowadays and it was discussed among Pacific Commissioners. Due to unrelieved cyber crimes, we need to counter any incoming threats that may cause harm to our citizens. An advice is to keep our accounts private by securing our online accounts. This was held at the Command Post on the 12th November 2021.

In the afternoon session of the meeting, the SPPCS Executive were joined by the Former Commissioner, Fuiavaiiili Egon Keil as a PICP special guest presenter.

Traffic Unit on a weekly basis conducts road blocks to safety of the public. This measure can prevent drivers from drunk driving, unlicensed vehicles & drivers, and our pedestrians to walk safely on the streets. It can alleviate the rising crimes committed on the road as a goal of the Road Safety Campaign.

Traffic Enforcement Division undertook an outreach awareness to some Primary Schools in Upolu including Vaimeia Primary School, Vaigaga Primary school, Marist Primary School and St Mary's Primary School, and also some Schools from the big Island of Savaii including Asau Primary School, Palauli Primary School, Safotulafai Primary School and Safotu Primary as part of the ROAD SAFETY CAMPAIGN.

This program is designed to teach our future generation of the precautions on the road and to refrain them from getting harmed due to road accidents.

Cyber Crime Awareness was also presented by the Community Engagement unit, for prevention of young generation from accessing illegal sites and not important internet purposes. They also carry out different strategies to overcome issues raised by students and teachers based on Cyber Crime.
