OPERATIONAL SAFETY TACTIC’S REFRESHER COURSE 2021

On the 27th October 2021 OST refresher’s course been rollout throughout the Ministry as mandated for police officers.

The Operation Safety Tactics training complements our Use of Force policy and guides police officers in exercising reasonable and appropriate force as part of everyday policing.

This is a mandated training for all police officers of the Samoa Police to ensure that members are well aware of SPS expectations and protections if any civil suits arise out of the execution of police duties.
